Attend this educational seminar to learn:

- Estate planning basics, including what planning options, strategies, and techniques are available to protect your legacy and your family.
- Why estate planning cannot be approached as a "one-size fits all" proposition.
- The potential consequences of failing to proactively create an estate plan.
- How to get started with creating (or updating) and implementing an estate plan that properly aligns with your goals and minimizes unintended consequences.
- How you can fulfill your philanthropic objectives and continue to support causes and organizations that have made an impact on your life.
