

COMMUNITY FOUNDATION OF THE FOX RIVER VALLEY APPROVES GRANT FOR JENNINGS TERRACE

September 12, 2014 Aurora, IL...The Community Foundation of the Fox River Valley has awarded a grant for \$20,000 for new flooring improvements for Jennings Terrace Kemmerer Nursing/Health Care Facility.

Jennings Terrace was established in 1943 as a non-profit senior living community dedicated to offering holistic care to our seniors at affordable rates. Jennings provides independent living, assisted services, skilled nursing and memory care.

The Community Foundation of the Fox River Valley \$20,000 grant concludes the fund raising effort for 6,200 square feet of new flooring for the patient corridors, nursing stations, supply rooms and patient lounges. David Scarpetta, Executive Director of Jennings Terrace, comments, "This grant from the Community Foundation assures us the completion of our second phase of our flooring project. We are grateful once again for the support of the Community Foundation of the Fox River Valley."

The Community Foundation supported Jennings Terrace in 2009 for the purchase of a 12 passenger Courtesy Van with a lift and in 2011 provided a grant for the Kemmerer Nursing Annex new roof. Major facility purchases and improvements would not be possible without the support of the Community Foundation of the Fox River Valley.

The Community Foundation of the Fox River Valley is a non-profit, philanthropic organization that administers individual charitable funds from which grants and scholarships are distributed to benefit the Citizens of the Greater Aurora Area, the Tri-Cities and Kendall County, Illinois.
